THE MINISTRY OF DENNIS  
& BENEDICTA POLLOCK

November, 2015

## **Advancing the Kingdom of God in Kenya!**

Dennis & Benedicta have returned from yet another mission in the great continent of Africa. God is so faithful to bless these missions, to equip and encourage believers, and to turn the unsaved "from darkness to light." Every mission is one more confirmation that the preaching of Jesus Christ works!

"It pleased God through the foolishness of the message preached to save those who believe" (1 Corinthians 1:21). We believe in the gospel of Jesus Christ! Every night Kenyans responded to the gospel invitations.

These missions are all about people! We are convinced that God loves His African children, and is not willing that one of them should perish. No sacrifice is too great that even one of them might be saved!

The subject of the preaching never varies—it is always Jesus Christ and Him crucified. "I am not ashamed of the gospel of Christ, for it is the power of God to salvation for everyone who believes" (Romans 1:16).

Benedicta also preaches Christ—but adds a touch of humor to sweeten the messages. Africans love her ministry, and in the "Ladies conferences" the men seem to show up in numbers almost as large as the women!

# African Missions Touch Lives!

**Morning Conferences**—The morning conferences were well-attended and the people were enthusiastic. Dennis and Benedicta shared teachings deigned to feed Jesus' sheep and equip His servants. These conferences were held under a tent. By meeting on "neutral ground" the pastors were made to feel that these meetings were for one and all.

**Evening Evangelism**—Our evangelistic meetings were sponsored by fifteen different pastors and churches. These were truly non-denominational meetings. This city had experienced terrible violence in the 2007 tribal war that ravaged this nation and this was the first such unified meetings in this area since then. It was a time of healing as pastors and believers worked hand in hand.

We gave away 200 pairs of shoes to poor children. To most Americans a new pair of shoes is not a big deal, but for these African children this was a major blessings. These gifts help the children (and the adults) to see the kindness and goodness of God in Christ Jesus.

We feel called of God to bless and equip African pastors. Due to the generosity of our friends, we were able to give away laptops, tablets, and digital cameras to pastors. These items were used, but were all in good shape, and the pastors were thrilled to get them!

**Your prayers and financial gifts make these missions possible. We need your regular support!**
