THE MINISTRY OF DENNIS
& BENEDICTA POLLOCK

July, 2016

MISSION: KENYA!

"I am not ashamed of the gospel of Christ, for it is the power of God unto salvation for all who believe..." The apostle Paul wrote this around 2,000 years ago, and it is still true today! Believing in the efficacy of the gospel, we have determined to preach Jesus, Jesus, Jesus when we are doing our outdoors evangelistic meetings. Transformed lives demonstrate the soundness of this simple approach.

Dennis & Benedicta have just returned from ministering in Bokoli, Kenya, where the Lord visited the people in this small town with a rich manifestation of His presence and grace. The response to the gospel invitations was enthusiastic and a joy to behold.

MINISTRY TEAM - Africans have never seen a ministry team like this—a husband/wife American/Nigerian couple who preach, teach, and pray for the sick. Benedicta both teaches and demonstrates that in the last days God has promised to pour out His Spirit upon both His sons *and* His daughters.

BENEDICTA ADDRESSING THOSE WHO RESPONDED TO THE GOSPEL INVITATION - On Saturday evening Benedicta sang, shared her testimony, preached, invited sinners to come and give their lives to Christ, and prayed for the sick! Kenyans were fascinated by her and her unusual ministry.

African Missions Touch Lives!

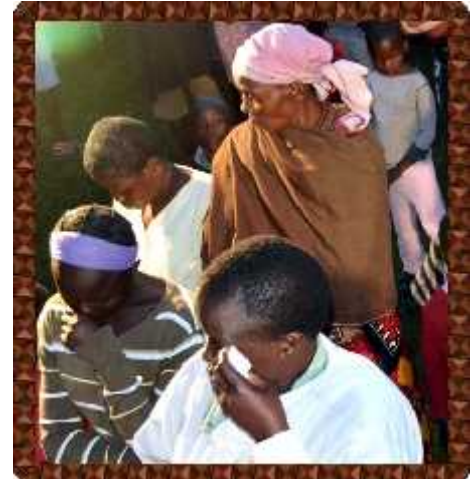

God opened the door for Dennis to minister to hundreds of teen boys at the *Bokoli Boys' School*.

One thing Africans possess in abundance is enthusiasm. In their praying and in their singing, Africans hold nothing back.

Ministry is a serious business, with eternal souls at stake, but it can also be a time of joy in the Holy Spirit.

As the song says: "People need the Lord."

Every evening Kenyans came forward to say "Yes" to Jesus, and to declare their allegiance to the Savior of the world, the Lord Jesus Christ.

We provided new school uniforms to orphans in a local school.

Your prayers and financial gifts make these missions possible. We need your regular support!
—A DVD video report of this mission is available upon request (Send \$3 for S/H)—
