Ministry in Cuba

Thank you for your prayers and support of our teaching mission in the nation of Cuba. It was a blessing to go there and meet our brothers and sisters from this island nation. I taught a concentrated 4-day course on the subject of eschatology (the Biblical teachings about the Last Days and the Return of Jesus Christ).

Even though the government of this nation is officially atheist as well as communist, they have not been able to stop the Cuban people from putting their faith in Jesus. Believers are scattered all across this nation, meeting in homes and small buildings. Their worship is lively and their faith is strong. There are not a lot of options for Bible training however. It was a blessing to be able to join hands with Dr. Don Ott and the Cuba Bible Institute in equipping pastors and church leaders for their ministry.

The apostle Paul declared that the Scriptures are inspired by God, and are profitable for us, "equipping us for every good work." As Dr. Ott and I taught the students we used PowerPoint slides projected on the front wall, with hundreds of Scriptures (in Spanish) to help the students see what the word of God says about the glorious appearing of our great God and Savior Jesus Christ. Our hope is that they will in turn share these teachings and carry this theme all their days as an important part of their ministry

YouTube Channels

We are posting lots of videos on our YouTube channels. Our ministry has two separate channels: Our **“Dennis Pollock” channel** is where we post videos about our mission trips and various Video Devos on Biblical topics.

Our **“Beat Diabetes” channel** is devoted to overcoming high blood sugar. Go to the YouTube main page and type in “Dennis Pollock” or “Pollock Beat Diabetes” and you should be able to easily find our main pages for these two channels. From these pages you can click on many different videos we have posted. And by subscribing to these channels and then clicking on the little bell next to the “subscribed” button, you can be sure you are notified each time we post a new video. One of our recent posts is a twenty minute video report on our recent Cuba mission. See you on YouTube!

U. S. Prison Ministry

For some time we have been receiving requests from prisoners throughout America to receive our monthly mailings. Prisoners tend to be readers (they have far less social life than those outside) and often they are eager to learn more about the Lord. As our circulation has increased we have also been contacted by chaplains in the prisons, requesting bulk mailings to them for their use in ministering to prisoners (both men and women). We do not like to turn down any requests from prisoners and prison workers, and our mailing list has greatly expanded as a result of this.

This is creating additional costs for our mailings, but we feel it is a great investment. Please consider supporting our ministry with your finances as well as your prayers, so that we can continue to reach out to Africans, prisoners, and people all over the world. The word of God does not return void—it accomplishes all that God desires and produces very good fruit!

Partner with Us: Become a “Friend of Grace!”

Our “Friends of Grace” program is a way for your to pledge regular support to this ministry. Even when we are not doing African missions (or Cuban) we need regular financial support, as well as prayer support. When you become a Friend of Grace, you pledge to support SOGM with a \$25 per month gift or more, or a \$300 or more annual contribution. Our Friends of Grace help us to plan missions, pay for mailing costs, maintain and purchase equipment, mail out bulk pamphlets to prisoners in several different prisons, and more. In appreciation we send our friends a monthly CD with five audio devos plus DVD mission reports.

Please pray about becoming a friend!
